Report on NSS Special Camp

NSS unit of Arts and Science organized a special Annual camp at Tirumurthy Grama Abivrudhi Kendra, Jakkasandra road, on cleanliness and service for Village Development from 09/05/2022 to 15/05/2022.

The program was inaugurated at 4:30 p.m. and chaired by Professor K.P.Narasimha Murthy, President APS college of Arts and Science. He addressed the participants and spoke about the main objectives and importance of the program. Dr. B. Jayashree, Principal, APS college of Arts and Science addressed the gathering about the goals of the program and urged the participants to make the 7 days program a grand success with their active participation and involvement. The program was graced by Chief Guest, Sri Ravikumar, member of village panchayath Cheluru who expressed his appreciation towards the college and the NSS unit for organizing the camp for the cleanliness of village which is special and noteworthy.

On 10/05/2022, Tuesday, at 7 a.m., NSS unit began by travelling to M/S Sunishka Solar Power plant, situated 7km from Shri Ramana Maharshi School for Blind, at Tugani village. Sri Mahadev, from GESCOM explained in detail about the harvest, storage and transmission of solar power to KPTCL (Karnataka power transmission Corporation Limited) through grids. He explained that the Solar Power Plant is of 1 Megawatt capacity and around 5000 units of electricity are generated per day. From 11 a.m. to 2p.m., the road to Shri Thirumurthy village development centre was cleansed by clearing the plastic waste. Around 4 p.m., Vasanthi R Assistant Professor of Social Science, APS college of arts and science spoke on the topic 'Role of youth in village development' and shared her valuable thoughts about how and why today's youth should engage themselves for the development of a village and their contribution towards the prosperity and wellbeing of the nation through community participation in village upliftment initiatives. At 7.30p.m. Cultural activities were organized involving around 30 students of Sri Ramana Maharshi School for Blind along with NSS volunteers.

On Wednesday, 11/05/2022, from 9 a.m. to 2 p.m., at Shri Thirumurthy village development center plants were nurtured by formation of basins through soil bed for the retention of water. After finishing lunch, at 4 p.m., Vidhushi Mrs. Jalpa Mahadev B.E(EEE), (M.SUSA) entrepreneur delivered a special talk on applications of music for the mental health and wellbeing of NSS volunteer service. She practically demonstrated the 7 notes of music to the NSS students through her Bharatanatyam performance, and urged the students to learn music and also its application in life upon necessity. Subsequently, chief guest Shri Suchit Rajgopal, Musician, explained unique way of learning 7 notes of Music and the path to learn about the distance between the earth and sun through keerthanas of Purandaradasa and music. He, further, provided insights on the way musical notes can be used to cure various diseases, and how the art of Music can contribute to mental health and well-being of the individuals. This special talk was graced by Srimati Shobha Devi, President, Village Panchayat, Cheluru and Dr.B. Jayashree, Principal, APS college of Arts and Science.

On Thursday, 12/05/2022, around 1 Km area Sri Thirumurthy Village Development Center that included roads, Jakkasandra Public Park and lake was chosen for cleaning. Hundreds of plants in the public park were nurtured by clearing out the weeds and forming basins in soil bed for water

retention. Additionally, around 200m stretch of the lake – land interface was cleaned off of invasive aquatic plants and plastics. At 4.30 p.m. Sona Bai M, Assistant professor, Department of Chemistry, APS Arts and Science College, delivered a special talk on use of Solar energy in villages and its importance. Opening with the questions on what solar energy is, its types, applications and technology for harvest, she concluded with best examples for its usage in everyday life of village folks.

On 13/05/2022 from 6 to 7 a.m. Yoga was performed at Shri Thirumurthy village development center, and subsequently flag was hoisted by inviting Shri Dhandathane, in charge of development center. Breakfast was served between 8 to 9 a.m., and subsequently preparation was made for shramdaan (Voluntary contribution of labor). Later, Sheds built by Blind Students of the Center were cleaned and roads used by them were cleaned of wastes. Preparation was made for special lecture after enjoying the lunch from 1.30 to 2.30 p.m.

At 4:30 p.m., The General secretary from Jet group of institution, Sri Kiran Raj addressed the NSS volunteers, as a resource person on personality development through social service and spoke on the importance of social service to develop one's personality and discussed with about the need of social service to develop leadership qualities with the students. Later Sri Kanthiraj, Assistant Professor Department of history shared his memories about the experience of special NSS camps during his early days.

On 14/05/2022, Saturday morning, the surroundings and excessively grown vegetation around hostels of the blind students were cleaned. The garbage heaps around the temple was removed and the area was cleaned. Subsequently, the larger grits in the playground were removed pot holes were fixed, the area was cleaned off of plastic and other wastes and later preparation were made for lecture after the dinner 4.30 p.m., in the evening, lieutenant Dr. Loksha. A, Assistant Professor, department of Economics (post-graduation), APS college of Arts and Science, a resource person spoke about the challenges and solutions of Indian economy. He explained current economic trend of India to the volunteers and emphasized that Indian economy can be built stronger and secure through social service. Sri Varun, Social worker and Vice President of village panchayat, Cheluru, Sri Nagesh, Shri Dharmapathi, Sri Ravikumar, member of village panchayat were also present for the program. At 7.30 p.m., a cultural program was organized around 20 Blind students and Sri Ravi Kumar entertained the gathering with pleasurable folk songs.

On 15th 15/05/22, from 9.30 a.m. to 1:30 p.m., more than 50 varieties of fruits bearing plants namely lemon pomogranate, guava, blackberry, coconut, Jackfruit and teak were cared by forming basins, adding fertilizers and watering. Later at 1.30 p.m., Shri. B. Nijalingappa, retired Indian Forest Service officer (IFS), inaugurated the program by planting a sapling and watering it. The closing ceremony of NSS special camp was held after the lunch at 1.30 p.m. and the ceremony was graced by Shri B. Nijalingappa retired IFS officer who appeared as chief guest for the program. He reviewed activities conducted over seven days, spoke to the NSS students on main objectives of the camp and emphasized the need to conserve water by judicious use through his words about five basic elements that are indispensable for life to thrive on. He further, urged the students to take oath to conserve at least 4 to 5 liters of water every day. Additionally he convinced the students about the architect of India constitution – Dr. B.R. Ambedkar's fight for basic human needs. Lastly, he enlightened the students about conserving the groundwater for obtaining clean drinking water. Later Dr. B. Jayashree, principal of APS college of Arts and Science, presided over the closing

ceremony of the NSS program, referring to the saplings planted, urged the students to plant at least one plant for the conservation of our environment and collected feed back about the activities performed from the students. She insisted that the awareness about this kind of camps should not only be limited to the villages, but also should be spread to the urban areas for successful implementation. She expressed special thanks to the APS management for strength and encouragement behind this special camp, Professor K.P. Narasimhamurthy, President of APSET College, Sri A.R. Acharya General Secretary and all other staff. Sri Hareesha M.C NSS programme officer for camp. Dr. Raghavendra and Sonabai, supporting officer for camping were also present on this occasion. A total of 42 NSS students participated as volunteers in the camp made it a success.

National service scheme special camp was organized for the academic year 2021-2022 by NSS unit, APS college of Arts and science from 09/05/2022 to 15/05/2022 at Thirumurthy village development center, Jakkasandra, Kanakapura main road Ramanagar district, for the title cleanliness and service drive. The area around Shriramana Maharshi School for blind was successfully cleaned along with the area around village panchayat, Cheluru. The wastes were cleaned as a part of the drive, plants were planted and basins were formed in the soil for water retention. Besides several activities performed, the resource person delivered various lectures, shared their memories, and organized cultural fest and games.

In conclusion, the NSS camp was a great success in inculcating the students with the concept of individual and community involvement in building a disciplined life and better nation

Report on Environment Day was celebrated on 6th June 2022

Environment Day was celebrated on 6th June 2022. The main aim of World Environmental Day was to create awareness among the student, staff and public about the importance of soil and environment in our lives with a theme “SAVE SOIL SAVE ENVIRONMENT”. The entire programme was presided by the presence of APSET General Secretary Sri. A. R. Acharya and Principal, Dr. B. Jayashree. To mark the essentiality of the event the plant saplings were sowed by the NCC Unit and the delegates. The rally was organized effectively with the troop including NCC, NSS, YRC, Sports, Yoga, Eco club committees and all the students marching with placards and slogans creating awareness among the public. The highlight of event was the street play by B.Sc. Second and Final year students depicting an act of how disposal of medical waste in improper way, using chemical fertilizers, pesticides for crops, public irresponsibility industrial effluents have negative impact on environment was shown and how adapting eco friendly life style, proper disposable techniques and organic fertilizers can save the environment from getting polluted and can promote healthy life on earth was manifested to the gathering. The event continued with nature related song by students. The entire program was addressed by the Principal Madam, and presidential remark was given by Sri A R Acharya, General Secretary, APSET.
