### Report on Azadi Ka Amrut Mahotsav

India is celebrating its 75th year of independence. It marks a proud period as our nation has achieved progress in all areas of socio-economic life. To commemorate this enormous achievement and carve a path for further development, Central Government has decided and desires that all States get involved in these celebrations.

APS College of Arts and Science organized a special event on 13<sup>th</sup> of August 2021 to take forward the celebrations. Dr Pampa Devi, Professor of History was invited to be the Chief Guest and Resource Person for the event.

The program began with singing of patriotic song and ceremonial watering of the plant to mark the inauguration. Principal Dr. B. Jayashree in her introductory remarks informed the students and staff the objective of celebrating the "Azadi Ka Amrut Mahotsav" and how important it is for all to remember the long journey prior to Independence and Post-Independence and learn from all the times of the past.

In her address to the audience the Chief Guest and Resource Person Dr. Pampa Devi threw light on the history of the freedom struggle and the sacrifices made by leaders and general public alike. The Speaker also highlighted the progress made by India in various areas. But, she also felt that, in spite of 75 years of efforts the country still faces a certain challenges with respect to socio-economic inequality, gender inequity, discrimination and so on. Madam suggested education, moral and ethical values as the panacea for all the issues.

The President of the programme, Prof. Prakash A, Joint Secretary, APSET congratulated the chief Guest and Resource Person for the scholarly talk and appreciated the college for conducting the program, as it would raise awareness of the sacrifices of the freedom fighters and the leaders after Independence.

The programme was well received by students and staff with 175 members being present for the event.

WORKSHOP ON ADOLESCENT MENTAL HEALTH

The workshop on Adolescent Mental Health was organized by the Department of Psychology on 15<sup>th</sup> of December 2021. The resource person was Sri Tavi Kumar, Director, Manasparsha. The program was inaugurated by the dignitaries symbolically by watering of plant. Tavi Kumar began the workshop through an activity for the students in which they had to tap, stamp, clap accordingly to the instructions. Only one student remained till the end. This helped the students to understand the importance of concentration. Sri Tavi Kumar said that mental health includes

1. PHYSICAL WELLBEING
2. MENTAL WELLBEING
3. SOCIAL WELLBEING

According to WHO, mental health is "A state of wellbeing in which individuals realizes his or her own abilities to cope with everyday challenges of life". The benefits of mental health are that it gives sense of Self-Worth, Self-Confidence, Problem Solving Skills, Self-Determination, Tolerance and Acceptance and Respect for others. Some facts which should be known are;

- Mental diseases can happen to anyone at any age, any caste and religion.
- All mental problems are not mental disorders.
- One out of four people suffer from mental disorder.

He spoke about the issues in Mental Health like Low Self-Esteem, Frustration Or Anger, Behavioral Problems-Risk Taking, Learning Problems, Bullying And Physical Violence, Stress, Sleeping Issues, Eating Disorder, Substance Abuse and Addictions and Suicidal Tendencies. He pointed out the types of Psychological issues due to the Pandemic like depression, Anxiety, Bipolar Disorder, PTSD (PC-PTSD), Youth screen, Parent screen, Alcohol and substance Use, Psychosis, Eating Disorder and so on.

Sri Tavi Kumar went on to suggest on how to deal with Adolescent issues like Relationship Breakup, Homesickness, Peer Pressure, Loneliness, Academic Pressure, Future Career Stress, Financial issues, Lack of Sleep, Talking too much, Over involvement.

Internet addiction was rampant. To overcome or face this, the resource person suggested to have 'ME' time. where in, one has to pick a spot and not to interact, practice mindfulness, sit quietly with one's own thoughts, respect it and this has to be done once in a week.

A practice on mindfulness was given for the entire audience. It was very effective and relaxing.

He finally suggested to follow 3A's that is; **AWARE, ASK and ADAPT.**

A.R. Acharya, General Secretary of APSE gave the Presidential Address. and advised students to be physically active to ward off any mental health issues.

About 311 students participated in the workshop.
