Sir,

Subject: Regarding Collaboration / MOU in introducing
'Aerospace Science' at our college.

With reference to the above cited subject, we are proposing to introduce 'Aerospace Science' at the bachelor's level (B.SC degree course of 3 years) at **APS College of Arts and Science**, N. R. Colony, Bangalore. The course is being offered for the First Time in Karnataka at the bachelor level affiliated to Bengaluru City University.

Late Prof N.Ananthachar, in the founder of our Institute, a well-known educationist. It is located in Narasimharaja Colony, Basavanagudi area, the southern part of Bangalore.

Dr. P N Tengli, Retired Director DRDO was Chief Guest on the occasion of National Science Day celebration at our college on 28-02-2022.

He has enlightened us on the scope and future prospects of Aerospace Science / Missile Technology during his wonderful presentation and suggested to introduce **Aerospace Science** at the B.Sc degree level.

During the talk of Dr P N Tengli, Prof and Advisor, said that of NMIT has started M.Tech in Defense Technology (Aerospace Technology), the unique Technology oriented course first time under VTU.

After listening that, our Students and Management were excited and opined that, they also can think of introducing Aerospace related course at B.Sc level.

As Dr. P N Tengli has got experience in R&D related to Aerospace Science / Missile technologies, for more than 35 years, his guidance and support along with one more academic faculty of NMIT, identified by you will be helpful, in taking up of this thought forward to next level.

In this regard, we can sign MOU with your Institute to utilize the services of experienced faculties of your institute until the course is launched at our college.

Kindly give the appointment to our institute to come and discuss with you and arrive to a fruitful advice from your end and sign MOU as per your directions.

Thanking You,

With regards,

Principal
