The class was held on the topic "Communication" by the resource person Mrs. Rashmi. N on 13-03-2021 and 15 students were present. On 20-03-2021 the class was conducted by Ms. Madura Murthy, KAS officer on "Mathematical Reasoning and Aptitude". This session was attended by 32 students. To discuss on the interesting topic "Logical Reasoning" class was taken by the resource person Mr. Dhiraj. A. Rao on 27-03-2021. In this session about 25 students participated in solving many logical questions. On 03-04-2021, the resource person was Mrs. Rashmi. N, she gave a brief lecture on the topic "Data interpretation" in this session about 15 students were present. Resource person Mrs. Rashmi.N has conduct a class on "Information and Communication Technology" on 10-04-2021. This session clearly picturized the uses of communication technology in the present days and was attended by 16 students. On 17-04-2021, resource person Dr. Pavitra was invited to focus on "People, Development and Environment". This interactive session was attended by 12 students. On 22-07-2021 a virtual class was conducted by the Resource person Mr. Dhiraj. A. Rao. This session was mainly focused on "Critical Thinking and Interview Handling Skills" and was attended by 18 students.

The faculty members and student beneficiaries were taken by KSET examination and 3 lectures have cleared the KSET examination.

Report of the National Science Day programme held on 26/02/2021 and 27/02/2021

NATIONAL SCIENCE DAY is celebrated on 28th February every year. As a part of the celebrations, APS college of Arts and Science in association with Karnataka Rajya Vijnana Parishat, Bengaluru organized 'ANANTA THARANGA -2021' - A series of Inter class competitions for students that included 'Science Lecture' on various Science based topics, Science Quiz contest, Science poster and Rangoli making on 26th and 27th February 2021.

Students enthusiastically participated in all the competitions. The Posters and Rangoli celebrated Science in true sense with students exhibiting their creative Science themed artworks. Most of the lectures were confidently delivered by students on interesting Science topics and they also actively participated in a Science Quiz contest.

The resource person Prof M.R Nagaraju- Educationist and Science communicator, presented an interesting seminar on the topic 'Role of Education in Science & Technology Innovation'.

'Anything natural is naturally good' Final year students demonstrated the use of natural ingredients -Turmeric and Beetroot as Natural dyes and briefly explained about the same. Shortly after this demonstration, was the prize distribution ceremony for the various competitions held as a part of National Science Day and the Math Quiz organised on 22nd December 2020 on the occasion of National Mathematics Day.

The programme was attended by the Dignitaries of APSET, Principal - Dr B Jayashree, Convener - Prof Sunil Kumar K, Staff members and Students.

The National Science Day celebrations concluded with distribution of sweets to all the attendees of the programme.

EXHIBITION ON CDS IN INDIA

A Report on 'Celebrating Unity in Diversity in India' - Project Display held on 5/3/2021

An informative, interesting and creative exhibition on CDS done by the talented students of III Semester BSc and BCA took place on 5/3/2021 in the old seminar hall between 11:30 am and 1 pm.

CDS stands for Culture, Diversity and Society and is a non-core, soft skills course for III Semester BSc and BCA students. For their project work, students were given a choice to work on one of the tasks given below:

Project 1: Making of creatively crafted calendars with the theme as 'Unity in Diversity' in India.

Project 2: Making of a booklet with minimum 10 pages explaining about something that originated in India like Chess, Famous India places, Temples, Famous Indian Personalities, Indian Women achievers etc.

Students had a choice to work on either project 1 or project 2 and they could work solo or in a team. They were given around 20 days time to work on their projects. Students came up with highly creative crafted calendars and various interesting booklets with topics on Famous Indian Temples, Famous Indian Personalities, Dance forms of India to name a few.

Sri A Muralidhar, Governing Council Chairman, APS college of Arts and Science had graced the exhibition along with Principal Dr. B Jayashree. Students from BSc, BCA and BA courses and Faculty members from various departments got a glimpse of the beautiful project displays which was explained with great enthusiasm by student representatives of III Semester BSc (PCM), III Semester BSc(CBZ) and III Semester BCA.

Feedback was collected for the Project Display Session and highly encouraging and positive response were received from the students and Faculty.

REPORT ON ONE DAY SEMINAR

The department of Post-Graduate Studies in Economics (M.A) of APS College of Arts and Science conducted One Day Seminar on 13/01/2021 on the Theme *INTELLECTUAL PROPERTY RIGHTS WITH SPECIAL FOCUS ON PATENTS AND COPYRIGHTS* in the Seminar Hall of the College.

Kum. Ramyashree G. P., Students of M.A. in Economics, welcomed the gathering. Kum. Sindhu Vasudev, was invited as the Resource Person for the Seminar. Sri. A. Raghavendra Acharya, General Secretary of APS Educational Trust was presided the programme. Dr. B. Jayashree, Principal graced the occasion. All the Heads of the Departments, Professors and Students were also present in the Seminar. Dr. Lokeshu A was the Seminar Convener.

The Resource Person focused on the relevance of Intellectual Property Rights specially related to Copy Rights and Patents in the modern Days education system. She has focused on the issues related to the copyrights and patents and presented systematically with the suitable examples. She was covered all the relevant things that come under the and her speech was very enlightening and intuitive.

Principal Dr. Jayashree, addressed the gathering and expressed her appreciation for faculty PG (Economics) Department for organizing a seminar. She congratulated all who were part of the event. Sri. A. Raghavendra Acharya, General Secretary of APSET also addressed the students towards the need and significance of the Copyrights in the present higher education system in India. Kum. Kavya. G., proposed the vote of thanks.

Three Days Virtual International workshop on
Research Methodology

Report on 3 Days Virtual International Workshop on “Research Methodology”

17th June 2021 - 19th June 2021

Venue: Zoom platform

Day 1

Date: 17th June 2021

Time: 2:00 pm

Department of Physical Sciences in association with IQAC, APS college of Arts and Science organized a Three days Virtual International Workshop on “Research Methodology” from 17th June 2021- 19th June 2021.

The Key note speaker of the event Dr B Ramesh – Registrar (Evaluation), Bengaluru City University, Bengaluru highlighted the importance of Research Methodology. He mentioned that Research Methodology is different for different subjects and the aim of Research should be to help the society in one way or the other.

The Principal Dr B Jayashree delivered the introductory note highlighting the importance of inculcating research culture in the minds of young generation.

The Presidential address was given by Prof A Prakash, Joint Secretary, APSET wherein he emphasized the importance of Advance Technology and Collaboration with Universities from across the globe in enhancing the quality of Research.

The Resource Person of Day 1 Dr. Kanchana C-Research Expert Instituto de Alta Investigacion Universidad de Tarapaca, Av. Luis, from Chile, South America gave an informative talk on “Research Methodology for a good Research paper”. The session focused on 3 main aspects - What is Research, What Methodology is and what makes a good Research paper. Dr Kanchana spoke about the criteria to select a journal for publishing the paper and impact factor. She suggested to refer from latest papers while working on a research paper. She also spoke about peer- reviewed National and International Journals. She also gave practical tips on how to improve Resume Writing.

Many participants participated in the online workshop. Participants included eminent personalities in the field of Research, Research Experts, Academicians, Faculty and Students from India and Abroad.

Day 1 – Session 1 – Feedback about Dr Kanchana C

Topic: Research Methodology for a good Research paper

Feedback received from participants about of Communication Skills, Presentation Techniques and Content Delivery of the Resource Person. 495 responses were received in all. Around 62% of the participants were of the opinion that the resource person's overall presentation was Excellent.

Day 2

Date: 18th June 2021

Time: 2:00 pm to 5:00 pm

There were two sessions on the second day.

The resource persons for Day 2 were Dr A Venkataraman, UGC, Basic Science Research Faculty Fellow, Gulbarga University, Kalburagi and Prof Arun Umarji – Retd Professor, Material Research Centre, Indian Institute of Science, Bengaluru.

In session 1, Dr Venkataraman gave a presentation on the title "Research Methodology and Recent Frontiers in Material Chemistry" wherein he spoke about the elementary aspects of Science, the emerging concepts from atoms to molecules and also about the ideas of Materials bridging the gap between Physics, Chemistry and Biology in higher education. He emphasized on the synthetic strategies in the formation of materials and matter in general.

In session 2, Prof Arun Umarji gave a presentation on "How to build Scientific Equipments". Laboratory Equipments refers to the various tools and equipment used by scientists working in a laboratory. Sir highlighted designing and construction of Scientific Equipments in a conventional way. He suggested some economic ways of building Equipments.

Both the sessions on day 2 were very informative. The participants had many takeaways pertaining to "Research Methodology and Recent Frontiers in Material Chemistry" and "How to build scientific equipments" and the sessions received appreciative remarks from participants all around the globe.

Day 2 – Session 1 – Feedback about Dr. A. Venkataraman

Topic: Research Methodology and Recent Frontiers in Material Chemistry

Feedback received from participants about Communication Skills, Presentation Techniques and Content Delivery of the Resource Person. 495 responses were received in all. Around 60% of the participants were of the opinion that the resource person's overall presentation was Excellent.

Day 2 – Session 2 – Feedback about Prof. Arun Umarji

Topic: How to build Scientific Equipments

Feedback received from participants about of Communication Skills, Presentation Techniques and Content Delivery of the Resource Person. 495 responses were received in all. Around 60% of the participants were of the opinion that the resource person's overall presentation was Excellent.

Day 3

Date: 19th June 2021

Time: 10:30 pm to 2:00 pm

The final day of the Three days Virtual International workshop commenced at 10:30 am on zoom platform.

The resource persons for Day 3 were **Dr. Milind V Kulkarni, Senior Scientist and Group Head, Nanocomposite Lab (C- MET), Pune, Govt of India** and **Dr. Sujay Sarkar, Assistant Professor at VIT University, Chennai Campus, Tamilnadu.**

In session 1, **Dr. Milind V Kulkarni** gave a presentation on the title, **Research and Development in polymer Nano composite for Multifunctional Applications** wherein he spoke about the elementary aspects of Development of Flexible / Plastic Electronics using conducting polymers and Nanometals (Ag, Au, Cu Graphene and CNT₃) based directly pattern able ink-jet printed ink. He spoke on applications of Polymer Nanocomposites and applications including Sensor Materials and Devices.

He emphasized on Chemical Synthesis of Conducting Polyaniline and its substituted derivatives by using Sulphonic, Polymeric and Protonic acids (Inorganic and Organic acids) and Chemical Synthesis of Polypyrrole using different acids as a dopant. Chemical synthesis of Conducting

Polythiophene and its derivatives by chemical polymerization method. Physico-chemical characterization of the above polymers.

Further he explained the Successful utilization of polyaniline and some of its derivatives as a **Humidity Sensor** for a broad range of humidity, ranging between 10-100 % RH.

He explained the aspects of Synthesis and Characterization of Polyaniline-Metal nanocomposite.

He further explained about Conducting polymer based 'Field Effect Transistor' (FET), Nanocrystalline Materials and Nanocomposite for Electronics and Vivid applications.

Further he explained Developing of successfully Prototype "Humidity/Moisture Sensor Device" using Conducting Polymer, Polyaniline. Miniaturization of the same with digital display is in progress, Nanomaterials for Energy Applications (Battery, Supercapacitors and Solar Cells)

He concluded his talk by explaining how to Develop successfully polymer based thin, flexible light weight, and low cost battery.

In session 2, **Dr. Sujoy Sarkar**, gave a presentation on title "**Importance of Research Methodology, in scientific research**". He explained about the impact factors and criteria about choosing a correct journal for the research paper. He emphasized on different aspects of writing a research paper in order like abstract, introduction, methods, experimental part results and discussions and lastly conclusion. He also explained about the h parameter and its importance. During the feedback session, Participants spoke and gave a positive feedback about the workshop and requested the organizers to organize this type of workshop in future.

Dr. B Jayashree in her valedictory remarks thanked the management for supporting in organizing this virtual International workshop on Research Methodology. She spoke about the bright future in inculcating research as an option for higher education. She thanked all the participants and organizers and wished them a successful career.

Professor K P Narasimha Murthy, Vice – President of APS Educational Trust congratulated the Principal, teachers, IQAC team and organizers for organizing this International workshop in Research Methodology. He spoke that this workshop benefits the scholars to get into self introspection as well as an exposure to current developments in science. He encouraged the scholars to participate in various events to meet the demand of present scenario of higher

education, which will help in molding the research community at large. He wished the participants a very fruitful and productive meeting.

Day 3 – Session 1 – Feedback about Dr. Milind V. Kulkarni

Topic: Research and Development in polymer Nano composite for Multifunctional Applications

Feedback received from participants about Communication Skills, Presentation Techniques and Content Delivery of the Resource Person. 495 responses were received in all. Around 60% of the participants were of the opinion that the resource person's overall presentation was Excellent.

Day 3 – Session 2 – Feedback about Dr. Sujoy Sarkar

Topic: Importance of Research Methodology, in scientific research

Feedback received from participants about Communication Skills, Presentation Techniques and Content Delivery of the Resource Person. 495 responses were received in all. Around 58% of the participants were of the opinion that the resource person's overall presentation was Excellent.

It was indeed a wonderful learning experience for all the participants. The 3 days Virtual International Workshop concluded successfully and received positive feedback from the participants.
