Minutes of the meeting.

There is a proposal to organise Skill development programme on 18th Dec 2020. for the final year Students of the College. Mrs Sri Rajashankar, Head of Practical will be the trainer for that session. It is also decided to contact more old students who are associated with upskilling training and call them to render their services.

Minutes of the Meeting.

Due to Covid-19 pandemic there is a threat that the admission of students to college might be affected. Many of them have suffered lot of hardships and hence, the alumni group has to involve and help students to take re-admission through financial assistance. Further, Psychologically also they are down and it would be worth while if they are spoken to on one-on-one basis.

7. Nagesh. NASH.R

Minutes of the meeting.

Members felt happy that, some old student of our college who are associated with Lions Club - Vaishnavi have invited the principle as part of the teachers day programme. Similar initiatives can be taken up by other old students also.
