Report on Rastriya Ekta Diwas

on 31st October 2022 NCC unit of APS College of Arts and Science was participated in **Rastriya Ekta Diwas**, (Unity Day Run) which was organized by 7 KAR BN at national College Basavanagudi.

Rashtriya Ekta Diwas, also known as National Unity Day, is observed in India on October 31st each year to commemorate the birth anniversary of Sardar Vallabhbhai Patel, who played a crucial role in the unification of India.

The event was graced by the presence of SM Bharindhar Singh and Lt. Dr. Lokesha A. The NCC cadets actively participated in the run, demonstrating their unity and commitment. It was a memorable event that promoted camaraderie and the spirit of togetherness among the cadets. At the end of the event refreshments were provided to all the participants.

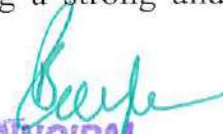

Objective:

- Rashtriya Ekta Diwas is to promote and celebrate national unity.
- Fostering a culture that motivates NCC cadets to uphold unity and discipline.

Outcomes:

- Rashtriya Ekta Diwas program created a sense of national pride and identity, emphasizing the importance of unity in building a strong and harmonious India.

Environmental day Report

Department of Botany and Eco-Club, APS college of Arts and Science celebrated the World Environment Day on 5th June 2023, Monday at 11.a m.

The main aim of the event was to create awareness among the students, staff and public about the effects and hazards of the plastic pollution as the theme for this year was focused on solutions to plastic pollution under the campaign "BEAT PLASTIC POLLUTION".

The programme was presided by Prof. K P Narasimha Murthy, President APSET in the presence of APSET General Secretary Sri. A R Acharya, Sri Gurudevaiah, Trustee APSET and Principal Dr. B. Jayashree.

Dr .B. Jayashree, Principal welcomed the gathering and the dignitaries on the stage. She said that celebration of Environment Day should not only be today but also on all other days as it is very important day to create awareness among public about the need to preserve and protect the environment.

Sri A R Acharya, General Secretary said that we have to grow more plants in our surroundings to protect our environment. He mentioned that by preserving our surroundings we can in turn preserve the country and make it a better place for the next generations to live.

Prof.K P Narasimha murthy in his presidential talk said that cleanliness is most important in protecting our environment. By keeping ourselves and the surroundings clean, we can inturn protect the environment. He suggested to use less water, electricity and other resources in order to save the environment and the resources. He also said that excessive usage of mobile phones is causing a lot of harm to the environment, so it has to be used very cautiously.

To remark the essentiality of the event the plant saplings were sowed by the President and other delegates.

The commencement of the rally was done by President, General Secretary and Principal. Report on NSS Special Camp

NSS unit of Arts and Science organized a special Annual camp at Tirumurthy Grama Abivrudhi Kendra, Jakkasandra road, on cleanliness and service for Village Development from 09/05/2022 to 15/05/2022.

The program was inaugurated at 4:30 p.m. and chaired by Professor K.P.Narasimha Murthy, President APS college of Arts and Science. He addressed the participants and spoke about the main objectives and importance of the program. Dr. B. Jayashree, Principal, APS college of Arts and Science addressed the gathering about the goals of the program and urged the participants to make the 7 days program a grand success with their active participation and involvement. The program was graced by Chief Guest, Sri Ravikumar, member of village panchayath Cheluru who expressed his appreciation towards the college and the NSS unit for organizing the camp for the cleanliness of village which is special and noteworthy.

On 10/05/2022, Tuesday, at 7 a.m., NSS unit began by travelling to M/S Sunishka Solar Power plant, situated 7km from Shri Ramana Maharshi School for Blind, at Tugani village. Sri Mahadev, from GESCOM explained in detail about the harvest, storage and transmission of solar power to KPTCL (Karnataka power transmission Corporation Limited) through grids. He explained that the Solar Power Plant is of 1 Megawatt capacity and around 5000 units of electricity are generated per day. From 11 a.m. to 2p.m., the road to Shri Thirumurthy village development centre was cleansed by clearing the plastic waste. Around 4 p.m., Vasanthi R Assistant Professor of Social Science, APS college of arts and science spoke on the topic 'Role of youth in village development' and shared her valuable thoughts about how and why today's youth should engage themselves for the development of a village and their contribution towards the prosperity and wellbeing of the nation through community participation in village upliftment initiatives. At 7.30p.m. Cultural activities were organized involving around 30 students of Sri Ramana Maharshi School for Blind along with NSS volunteers.
