## REPORT ON

### **NATIONAL SCIENCE DAY- ANANTA THARANGA-2023 in association with tAcT-the Academy Trust**

National science day is celebrated every year on February 28<sup>th</sup> to commemorate discovery of the RAMAN EFFECT which led to Sir C.V Raman winning the Nobel Prize.

This year we celebrated it on 21.02.2023 with the declared theme: "GLOBAL SCIENCE FOR GLOBAL WELL BEING"

#### **Objectives:**

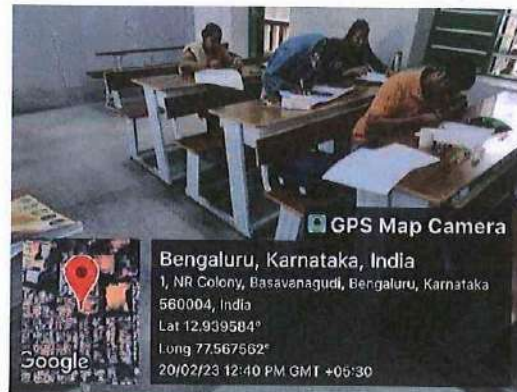

1. To arouse the curiosity towards science amongst students.
2. To inform the contribution of global science for wellbeing of humanity.

Based on this theme, we had organized numerous activities like Science Rangoli, Science theme-based painting, Science quiz followed by the Debate and Essay writing Competitions on 20<sup>th</sup> February 2023.

A total of 100 students participated in the competitions.

**Science Rangoli competition**

**Science themed painting competition**

**Science quiz**

**Debate competition**

Students enthusiastically participated in large numbers in all the activities and thoroughly enjoyed the events.

On 21<sup>st</sup> February 2023, the celebrations for Science Day began which was anchored by Sumera, 5<sup>th</sup> Sem student and the invocation was sung by Syed Sufian 5<sup>th</sup> Sem BA student, followed by the welcome speech delivered by Sunil Kumar K, Assistant professor, Department of Mathematics. Principal, Dr.B.Jayashree in her introductory note, spoke about this year's Science Day theme and told us about the achievements of Indians in various fields across the globe, also mentioned about the advancements of Science and Technologies in recent years. Dr. Narasimha Parvatikar , the convener of the program introduced the resource person.

**Principal Dr. B Jayashree addressing the gathering**

A special talk on 'UBIQUITY of CERAMICS' was presented by Prof. Arun M Umarji, a Former Professor, Higher administrative Grade, Materials Research Centre, Indian Institute of Science, Bangalore. It was a very enriching talk about the composition, properties, uses and advantages of Ceramics. He emphasized on the applications of Ceramics in various fields such as Rocket Science, Automobile Industry and in our day-to-day activities.

**Prof. Arun M Umarji presenting a talk on Ubiquity of Ceramics**

He encouraged the students and staff to know about the usage and applications of ceramics in various other fields. He displayed certain unbreakable ceramic cutlery, ceramic knife and scrapper which aroused a lot of curiosity in students and staff.

Sri.Subhankar Biswas, Director tAcT- the academy trust spoke about the importance of science in our everyday life and told us about how being a curious individual leads to various discoveries and inventions. He gifted the college library a book on C.V Raman, written by him to our Principal Dr. B Jayashree.

The dignitaries distributed the prizes to the winners of various competitions. The prizes were sponsored by tAcT-the academy trust.

### Dignitaries handing over the prizes to the winners

Vote of thanks was proposed by Satyappa Nayaka, Assistant professor, Department of Botany. Lunch was sponsored by tAcT for the students and staff.

Program outcome:

1. Created awareness among all the streams of students regarding scientific development in and around the globe.
2. Students and staff were enthralled about the significance of ceramics from lab to land, and they were exposed to vast area of research in material science particularly in the field of ceramics.

About 60 students and 21 staff members attended the program.

## Anantha Fun Fair 2023

Another interesting event was conducted by the cultural committee- “Anantha Fun Fair 2023” which was held on 8<sup>th</sup> July 2023. The main purpose of this event was to make students get an idea about the business tactics that they can use with less budget and more profit and creative techniques to improve their entrepreneurial skill, marketing techniques and trading skills. More than 30 stalls were installed by the students with different foods like Golgappa, Momos, vegetable stall, Fruits stall, coconut water stall, Jewellery stall, etc. Our college students and staffs of APS Group of Institutions participated and enjoyed in the funfair. Games and stalls organizers made profits and contributed the profit gained by them to poor students of the college generously.
