Annual Gender Sensitization Action Plan – 2022-23

Gender sensitization, women empowerment and providing eco-system for achieving equality among genders is the prime focus of our institution.

Objective: Develop an inclusive, tolerant, harmonious environment based on mutual trust among students, among staff and between staff and students.

Action plan of the college includes:

- Organising seminars and workshops that educate about gender equality.
- Orientation session during induction regarding equal treatment and equal opportunities.
- Commemoration of National Girl Child Day to popularise the worth of girl children.
- Giving equal opportunities including team leader role for girls to make them self confident.
- Addressing issues like failures, depression, frustration through counselling centre.
- Provide guidance about financial matters.
- Arrange Health Check-up camps to raise the level of health consciousness.
- Equal representation in NCC, NSS, YRC units.
- Conduct talks regarding entrepreneurship development and career advancement.
- Street plays to raise awareness about women harassment, cyber safety, cyber crimes, etc.
- Policy of equal representation in all the activities, decision making levels of the college.
