We are enclosing herewith 3 representations received from our students namely (1) Muthuraj K, (2) Vijaya Kumar B. and (3) Govinda Raju C, with regard to the admission to MA Economics in our college. The above 3 students have studied in our college itself. All the 3 students have secured 1 class in BA. They come from poor family. Now they are requesting for concession in fees for admission to MA Economics. The fees for M.A. Economics is Rs.40,000/- per annum. Since they are not in a position to pay the above fees they are requesting for concession in the fees. Their request may be considered since they are very brilliant students and have secured 1 class in BA. If they are given the concession they will be able to continue their PG Course.

Encl: 3 representations.

Sir,

I wish to bring it to your kind notice that before the Governing Council Meeting we have admitted 09 students and collected fees as per old fee structure approved by the management. After the GC meeting held on 19-7-2021 the fee structure has been revised. The admitted student list is enclosed.

But as we have already collected full fees from the students, It will be difficult ~~not possible~~ to collect the difference fees from the students as per new fee structure. Hence I request you to Kindly wave off the difference amount and oblige.
