REPORT ON – A SEMINAR ON
“Gender Sensitivity and Inclusion”**

Cultural committee of APS College of Arts & Science conducted One-day seminar on Friday the 20.09.2019 on the theme – “Gender Sensitivity and Inclusion”

Rajyothsava Award Recipient, India’s fore most transgender activist and herself a transgender Dr. Akkai Padmashali being the chief guest, inaugurated the seminar. In her speech she brought to fore the problems and issues of transgender and called for the civil society to fight against the injustice and atrocities committed against the “other genders”. She even requested the APS Educational Trust to help her by admitting them to the school and colleges run by the trust.

Management heads – President Shri. T.V. Maruthi, Vice President C.A. A.R. Acharya and CA Dr. Vishnu Bharath A.S and General Secretary Prof. K.P. Narashimha Murthy, Joint Secretary Shri. A. Muralidhara, Principal Prof. H.G. Rameshbabu, Vice Principal Prof. Marina George, HOD’s of all departments, teaching & non teaching staff and all the students were present and witnessed the programme.

REPORT ON NIRBHAYA - A SEMINAR ON

"GENDER JUSTICE AND WOMEN'S RIGHTS"

APS College of Arts and Science organised an interesting seminar NIRBHAYA 2021 on 13th March 2021 in the Old Seminar Hall.

The program started at 12:30 p.m. with an invocation song by Karan from 1 year M.A. Economics seeking the blessings of the almighty for the success of the programme. **Professor Shruthi B.** Department of Economics delivered the welcome address. **Professor Mamatha J.** Department of Psychology and Convener of the programme introduce the resource person of the day-**Ms. M.N. MadhuraMurthy** who was all set to enlighten the audience on Women's rights and difference between gender equality and gender equity. Ms. Madhura's talk not only made the audience aware of women's rights in various aspects but also motivated the woman folk to move forward towards success thus highlighting the importance of women empowerment. On the whole, it was an illuminating talk wherein Ms. Madhura urged that Gender justice is required to protect human rights and to have a sustainable and safe society free from gender discrimination.

At the end of Ms. Madhura's inspiring talk, **Principal-Dr. B. Jayashree** delivered the presidential address motivating women to work towards success and be a role model for others to excel in their career.

The programme concluded with **Professor Sona Bai. M.** Department of Chemistry, who gave away the vote of thanks. This thought provoking seminar was witnessed by around 80 people in the audience that included the Principal, teaching and non-teaching staff, students from B.A., B.Sc., B.C.A. and M.A. (Economics) courses. The entire programme received a positive response and appreciation by one and all.

Report on Visiting Old Age Home.

On Wednesday 02-10-2019 on the occasion of 150th Birth Anniversary of Mahatma Gandhiji about 26 NSS students visited Sai old age home of Basavanagudi. Students distributed fruits to inmates of old age home and took the blessing from them. Later NSS and NCC students visited Belakhu shishu Nivasa of Bull temple road, an orphanage. There they distributed fruits to girls. Those girls entertained our students by singing and dancing. This event was attended by all the members of NSS committee.

Annual Report of NCC 2020-21

6/6 Coy, 7 Karnataka Battalion, Bangalore 'B' Group Karnataka & Goa Directorate
Lt. Dr. LOKESHA A, NCC Officer

Motto of NCC is "UNITY & DECIPLINE"

APS College of Arts & Science holds NCC since 1962. The college level company of NCC is designates as 6/6 Coy, working under 7 Karnataka battalion, Bangalore – B group, having a strength of 108 (SD & SW) both for boys and girls. The students are provided with an opportunity to take part in the activities of NCC by registering them self as dedicated cadets.

Here the cadets will undergo the directorate made syllabus of Weapon Training, Drill, Leadership, Civil Define, First Aid, Health & Hygiene, community development and also participate in state and national level camps like ATC, CATC, AOC, EBSB, Trekking Camps, Cycling and RD Camps etc. The certificate of NCC helps students to take reservation in all the higher education courses as well as wide opportunity in Armed forces & Government Job.

Our NCC 6/6 Coy mainly helps students to develop character, comradeship, leadership and discipline to become good citizen of the nation.

NCC activities of the year 2020-21 were done online due to the Covid-19 pandemic situation. Our NCC Coy, actively conducted and participated in many social service and community development programs with the total enrolled strength of 108 cadets.

List of activities of the year 2020-21

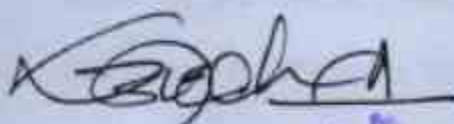

- ❖ As per the instructions of NCC Unit, 65 cadets completed an online course launched by MoHRD called as DIKSHA and were awarded the iGOT certificate.
- ❖ There were 26 NCC volunteers who supported Covid-19 warriors for a period of 3 months during lockdown and gave their service to the society under EX YOGADAAN program.
- ❖ During the SSLC examination, 25 cadets of our NCC unit supporting in following Covid-19 appropriate behaviour at the examination centres.
- ❖ Virtual International Yoga Day was celebrated on 21st June 2020. 43 cadets and 21 family members participated in the Yoga day celebration organized by NCC unit.
- ❖ Virtual Kargil Vijay Diwas was celebrated on 26th July 2020 wholly hosted by our NCC unit during which various programmes like Kargil Quiz competition and

Report of the National Science Day programme held on 26/02/2021
and 27/02/2021

NATIONAL SCIENCE DAY is celebrated on 28th February every year. As a part of the celebrations, APS college of Arts and Science in association with Karnataka Rajya Vijnana Parishat, Bengaluru organized 'ANANTA THARANGA -2021' - A series of Inter class competitions for students that included 'Science Lecture' on various Science based topics, Science Quiz contest, Science poster and Rangoli making on 26th and 27th February 2021.

Students enthusiastically participated in all the competitions. The Posters and Rangoli celebrated Science in true sense with students exhibiting their creative Science themed artworks. Most of the lectures were confidently delivered by students on interesting Science topics and they also actively participated in a Science Quiz contest.

The resource person Prof M.R Nagaraju- Educationist and Science communicator, presented an interesting seminar on the topic ' Role of Education in Science & Technology Innovation'.

'Anything natural is naturally good! Final year students demonstrated the use of natural ingredients -Turmeric and Beetroot as Natural dyes and briefly explained about the same. Shortly after this demonstration, was the prize distribution ceremony for the various competitions held as a part of National Science Day and the Math Quiz organised on 22nd December 2020 on the occasion of National Mathematics Day.

The programme was attended by the Dignitaries of APSET, Principal - Dr B Jayashree, Convenor - Prof Sunil Kumar K, Staff members and Students.

The National Science Day celebrations concluded with distribution of sweets to all the attendees of the programme.

Three Days Online Yoga Camp

"Yoga is the journey of the self through the self to the self"

- **Bhagavad Geeta.**

APS Educational Trust in Association with APS College of Arts and Science, APS College of Commerce and APS Evening College of Arts and Commerce organized a 3 days Online Yoga Camp from **4th June 2021 to 6th June 2021**. The objective of the virtual camp was to help the faculty members and students to manage the stress and anxiety levels for a healthy life.

Day one of the program began with the prayers of almighty at 6:30 A.M, 4th June 2021. The program was inaugurated by Shri Mohan Dev Alva, Mentor, APS Educational Trust by giving the insights about the importance of yoga in the day to day life. After which, Yoga instructor Smt. Dhanalakshmi explained the importance of yoga during the pandemic. The yoga instructor taught few yoga exercises and 6 Surya Namaskaras to the participants and the session was closed with the Shanti Mantra at 7:30 A.M.

On Day 2 the session began with 6 Surya Namaskar at 6:30 A.M in the morning, followed by few asanas, mudras and prayers. There was a question and answer session at the end during which the yoga instructor clarified the doubts of the participants and the session was closed with the Shanti Mantra at 7:30 A.M.

Day 3 started at 6:30 A.M. with 6 Surya Namaskaras, 12 asanas, pranayama and meditation. The session helped the participants to learn yogasanas. Three College principals shared their experiences and Dr. B Jayashree, Principal, APS College of Arts and Science, explained the importance of Yoga. Dr. CA Vishnu Bharath A S, Vice President, APSET, Prof. A Prakash, Joint Secretary, APSET, Sri Krishnaswamy P, Joint Secretary, APSET addressed the participants by explaining the need of Yoga for better healthy life. The presidential speech was delivered by Shri Mohan Dev Alva, Mentor, APS Educational Trust. Finally the session was concluded at 7:30AM with the vote of thanks. There were 95 participants who benefited from the 3 days Yoga camp.

EXHIBITION ON CDS IN INDIA

A Report on 'Celebrating Unity in Diversity in India' – Project Display held on 5/3/2021

An informative, interesting and creative exhibition on CDS done by the talented students of III Semester BSc and BCA took place on 5/3/2021 in the old seminar hall between 11:30 am and 1 pm.

CDS stands for Culture, Diversity and Society and is a non-core, soft skills course for III Semester BSc and BCA students. For their project work, students were given a choice to work on one of the tasks given below:

Project 1: Making of creatively crafted calendars with the theme as 'Unity in Diversity' in India.

Project 2: Making of a booklet with minimum 10 pages explaining about something that originated in India like Chess, Famous India places, Temples, Famous Indian Personalities, Indian Women achievers etc.

Students had a choice to work on either project 1 or project 2 and they could work solo or in a team. They were given around 20 days time to work on their projects. Students came up with highly creative crafted calendars and various interesting booklets with topics on Famous Indian Temples, Famous Indian Personalities, Dance forms of India to name a few.

Sri A Muralidhar, Governing Council Chairman, APS college of Arts and Science had graced the exhibition along with Principal Dr. B Jayashree. Students from BSc, BCA and BA courses and Faculty members from various departments got a glimpse of the beautiful project displays which was explained with great enthusiasm by student representatives of III Semester BSc (PCM), III Semester BSc(CBZ) and III Semester BCA.

Feedback was collected for the Project Display Session and highly encouraging and positive response were received from the students and Faculty.

REPORT ON JOB FAIR

Initiated by IQAC and organised by placement cell In Association with Department of Industrial Training and Employment:

For every person in his life one of the most important part is employment because his future is completely dependent on this employment and education. Therefore while a person is getting his education, there should be an opportunity to qualify their academic. And our college in association with Department of Industrial training and employment, jointly organised the "job fair - 2021" on 17th February 2021" at our campus.

The job fair was not only for B.A., B.Sc., B.C.A., students but also for S.S.L.C. P.U.C., diploma, engineering and post graduate students also.

More than 450 students have registered through on spot registration facility. Nearly 40 companies have participated in Job Fair-2021 as it was a great opportunity for job seekers.

On the day of Job Fair, following all the sop's candidates started by 9.00 a.m., in the morning. Registration desks were near the entrance, and as soon as the candidates entered they were given the registration forms which they filled it up and submitted it to the next counter along with their resume

Companies also started coming early in the morning. Companies were allotted class rooms and Seminar hall.

A list of companies and the number of vacancies required was displayed after the registration counter. So that the students can identify their choice of company. The list of companies along with their names is listed below.

INAUGURATION;

At 10.30 a.m., Inauguration function started. Dignitaries from the APS Trust, Employment Exchange, Principal of the college facilitated the stage.

Recruitment process:

We had provided all the required facilities to the companies for conducting their recruitment process. The process of recruitment was different from company to company. Some of companies followed the process like written test and few directly saw their resume and interviewed them.

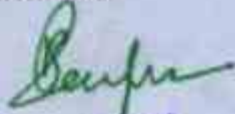

Finally for the students who all were selected, they were asked to visit the company for the second round.

The Registration and feed back form of the candidates is enclosed with in the report.

CONCLUSION:

At the end of the Job Fair, employees were provided with a "Feed back form" to express their comments and concerns.

- ❖ Employees expressed a high level of satisfaction with the Trusts 1st Job Fair.
- ❖ Majority of the participants also stated that they were satisfied with event and glad that they attended.
- ❖ Because of this event, the participants and the employers were able to see each other.

PRINCIPAL
APS College of Arts & Science
N.R. Colony, Bangalore-560 019

- ❖ Participants were given the opportunity to develop a greater awareness of what's available to them.
- ❖ In this pandemic, these events will help the job seekers to find an appropriate job for them and prosper themselves, on whole country.
- ❖ Results at the end of job fair.

Report of the National Science Day programme held on 26/02/2021 and 27/02/2021

NATIONAL SCIENCE DAY is celebrated on 28th February every year. As a part of the celebrations, APS college of Arts and Science in association with Karnataka Rajya Vijnana Parishat, Bengaluru organized 'ANANTA THARANGA -2021' - A series of Inter class competitions for students that included 'Science Lecture' on various Science based topics, Science Quiz contest, Science poster and Rangoli making on 26th and 27th February 2021.

Students enthusiastically participated in all the competitions. The Posters and Rangoli celebrated Science in true sense with students exhibiting their creative Science themed artworks. Most of the lectures were confidently delivered by students on interesting Science topics and they also actively participated in a Science Quiz contest.

The resource person Prof M.R Nagaraju- Educationist and Science communicator, presented an interesting seminar on the topic 'Role of Education in Science & Technology Innovation'.

'Anything natural is naturally good'! Final year students demonstrated the use of natural ingredients -Turmeric and Beetroot as Natural dyes and briefly explained about the same. Shortly after this demonstration, was the prize distribution ceremony for the various competitions held as a part of National Science Day and the Math Quiz organised on 22nd December 2020 on the occasion of National Mathematics Day.

The programme was attended by the Dignitaries of APSET, Principal - Dr B Jayashree, Convenor - Prof Sunil Kumar K, Staff members and Students.

The National Science Day celebrations concluded with distribution of sweets to all the attendees of the programme.

Report on Seminar conducted on 19th January 2021.

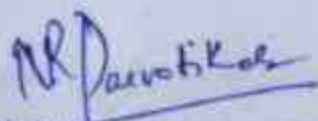

Department of Physics conducted one day seminar on "In Roads into Laser Technology – Possibilities around the Globe in Science Research and Career" on tuesday the 19th January 2021 by Resource person Dr. Vibhav Bharadwaj, Department of Physics, Polytechnico di Milano, Milano, Italy. The program was initiated by invoking goddess by kumari Kusuma and Kumari Aishwaraya of I SEM B.SC (PCM). Welcome speech was rendered by Kumari Sumera of I SEM B.SC (PCM).

Resource Person Dr. Vibhav Bharadwaj, delivered a very informative talk on Advanced Laser technology and its applications. More emphasis was given on opportunities available in India and abroad for undergraduate and post graduate students. He urged the young minds to focus on more on research oriented education and career in pure science. He gave available information on scholarships and funds in higher education throughout the globe.

Shri. A R Acharya, General Secretary, APS Educational Trust advised the students to build a strong career in their Bachelor course and focus much on opportunities in higher education. He emphasized the need of higher education in coming days and globally competent in achieving higher standards.

Principal Dr. Jayashree B advised the students about the reputed institutions like IISc, RRI, JNCASR etc situated in Bangalore and the entrance exams like JRE, GATE, CAT, MAT etc to crack so that to enter in the reputed institutions.

Dr. Narsimha Parvatikar HOD, and Convenor Prof. Srinath Department of Physics, staff and sixty science students were present. Feedback was taken from the students and a positive feedback is received and analyzed.

Short Term Faculty Development Program

APS College of Arts and Science organized a short term faculty development program on 28th of May 2020 at 11 am. The Department of Psychology arranged a session on "Mentoring in Academics". Resource person Dr. G. Venkatesh Kumar, MA, DPN & IR, DTD, Ph. D, Professor of Psychology, Mysore University, gave a talk on MENTORING IN ACADEMICS.

He highlighted the importance of mentoring and said good mentor can make a massive difference to individual and organizational performance.

A bad one can be an unguided missile and do considerable damage and also emphasized on,

The rationale for academic mentoring which supports the professional growth of the individual, who is in the early stage of their career and to promote excellence in teaching and learning research and academic leadership.

The participants who registered were 100, and the number of participants who accessed through YouTube were around 200.

Our Principal, Prof. Sharadha Devi madam gave the Principals message after the session was over. With that we concluded day 1 session.

Day 2 session

The session began at 11 am with the welcome speech followed by the introduction of the Resource Person Dr. B.B. Hosetti (Retd). Professor of Zoology Kuvempu University. He highlighted on

- Definition of Biodiversity
- Needs of Biodiversity
- Biodiversity and benefits
- Economic benefits of Biodiversity.
- Different types
- Biodiversity issues and profile
- Conservation of Biodiversity.

The numbers of participants were around 85. The session was follow by Principals message to the participants. The second session began at 12:30 pm with the welcome speech follow by the introduction of the Resource Person Dr. D. A. Venkatesh, IFS (Retd). Additional Principal Chief Conservator of Forest & Commissioner for Textiles, Karnataka. He emphasized on, Global warming which is a major issue, the talk highlighted on how to combat it. As the increasing pollution is bringing down the quality of our planet, the measures needed to control these issues were told. Sufficient information on Global warming was highlighted. The session was followed by Principals message to the participants.

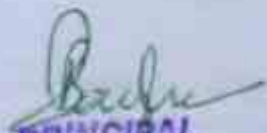

The number of participants who registered were 100 and the number of participants who accessed through YouTube were around 200.

Day 3 session

PRINCIPAL

Date: 27/05/2020

The government of Karnataka announced 2019 as the 'year of water' to emphasize its importance as a scarce commodity and the need to conserve it. Department of Physics, APS College of arts and science, Bengaluru has conducted a webinar on *WATER CONSERVATION AND WISE USAGE OF WATER* on 26/05/2020. The speaker for the webinar was Sri. B. Nijalingappa IFS(R), Director, Jalamrutha Project, Rural Development and Panchayat Raj Department, Government of Karnataka, Bengaluru.

The webinar was started at 11:00 AM. Dr Jayashree B the organizing secretary welcomed all the dignitaries and participants to the program. Prof. Shekar P, PG Department of Economics introduced the Resource Person. Around 500 participants comprising of students, Professors, Research scholars from different parts of Karnataka attended. The webinar was conducted on zoom platform and was broadcasted live on Facebook. A small video about wise use of water was played followed by the lecture by the speaker.

The speaker delivered a lecture about water conservation strategy based on 4 components: water literacy, rejuvenation of water bodies, creation of new water bodies as well as development of water sheds and afforestation activates. He gave an insight on implementation of the above techniques at village, taluk, district and state levels. Overall he gave us a glimpse of reality, valuable inputs and vision to save our future through water conservation. All the participants were motivated to convert these ideas into conscious efforts to save water.

Prof Sharada Devi the principal of the college delivered the presidential address and thanked the speaker for giving us his valuable time and sharing his knowledge. Dr Jayashree rendered her vote of thanks. The webinar ended at 12:30 afternoon. The technical support for the event was provided by Prof Sreenath, Department of Physics, Prof Sunil Kumar, Department of Mathematics and Dr Lokesha A, Department of Economics.

The participants showed positive response on the feedback forms sent by us. Close to 400 E-certificates were distributed.

We received an overwhelming response from all the participants. Our Management, Principal and faculty members were happy for the success of the program.

Prof. Dr. B. Jayashree.

INTERNATIONAL WEBINAR REPORT

An International webinar was organized by the **Dept. of English Language** on the topic "**Page Stage Dialogue**" and the talk was given by the resource person **Mrs. Pannaga Jois, Theatre Director & Designer, Ann Arbor, USA** (MA in English Literature & communication from Christ University, Bangalore / PGD from National School of Drama (NSD), New Delhi / Post-graduate from Goldsmiths University of London) on Friday, the 25th September 2020 between 10.30AM -11.30AM using Zoom Meeting Application Software.

The programme commenced with the welcome speech by Prof. Sheker.P & introduction of the resource person by Mrs. Gayathri. S.C, Convener of the programme.

Mrs. Pannaga Jois gave a presentation on the above mentioned topic covering all the aspects of a stage performance and highlighting the importance of each of the activities like the script writing, stage design, actor selection, costume design and music. She also gave an insight to the roles played by the Play Director, Costume Designer, Music Director and the Actors in conducting a successful stage play. She also further explained the impact of reading a play in text format and watching a live play on a stage. Participants appreciated the presentation.

The programme participants included:

- Teaching staff and students from APS College and staff from other colleges of Karnataka – Bangalore , Hassan , Mysore, Shimoga and others
- International Teaching staff from MES Indian School of Qatar , Muscat
- Interested participants from Germany, Singapore, Italy , US etc.,

Presidential speech was delivered by Dr.B.Jayshree, Principal of APS College of Arts & Science.

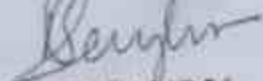

The Technical support in organizing the programme was provided by Prof. Sunil Kumar.

The programme concluded with the proposing of vote thanks by Prof. Dr.A.Lokesh.

All participants were issued with a Participation Certificate.

Report of the National Mathematics Day programme held on 22/12/2020

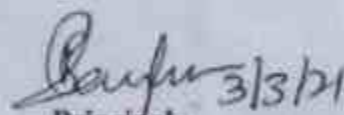

On the occasion of the birth anniversary of the great Indian Mathematician Srinivas Ramanujan and National Mathematics Day, Department of Mathematics, APS College of Arts and Science, organized a Mathematically Inclined **Math Quiz** on 22nd December 2020. In the morning session, interested students and faculty watched a movie based on Srinivas Ramanujan – “**The Man Who Knew Infinity**” arranged in the Old Seminar Hall.

Afternoon session commenced from 1:30 pm onwards in the Old Seminar Hall with Prof. Sunil, HOD Dept of Mathematics, welcoming the Gathering. Dr Lokesh, HOD, Dept of Economics(PG) gave a short speech on the occasion and the Prof Sarvamangala, HOD Dept of Botany and Incharge Principal for the day gave the presidential address. Madam also inaugurated the Quiz Show by asking the first question to the audience. Gunashekhar, final year BSc student gave an inspiring speech on the great Indian Mathematician- Srinivas Ramanujan.

The Math Quiz was hosted by Asst Prof Divya T, Dept of Mathematics. There were four teams in the Quiz namely Team **D**- Division, Team **M** - Multiplication, Team **A** -Addition and Team **S** – Subtraction. Each team had 3 members with participants from Final Year BSc and BCA. The Quiz had 5 rounds and the Teams enthusiastically participated in all the rounds answering questions, identifying pictures, solving number puzzles and also trying the hands-on-activity on the Chinese Geometrical Puzzle –Tangrams! Final Results were scheduled to be announced post session. The programme concluded with the Vote of Thanks proposed by Prof Hareesha, HOD, Kannada Dept. Refreshments were arranged for all the attendees of the programme.

DEPARTMENT OF BOTANY

REPORT ON ONE DAY WEBINAR

The Department of Botany and NCC 6/6 COY of APS College of Arts and Science had arranged One Day webinar on 05/06/2020 with Theme of "A CASE STUDY ON LAKES OF BENGALURU IN THE PRESENT SCENARIO" in the Old Seminar Hall. On the same day college celebrated world environment day.

Prof. Shekar.P, welcomed the gathering. Prof. Sathyappa Nayaka M.J organizing Secretary introduced the resource person, Department of Botany, and Ct. Dr. Loksha. A Convenor and NCC officer jointly invited the Resource Person for the webinar. Dr. VENUGOPAL, N (Rtd) Professor and Head of the Dept. of Botany, SJR College Bengaluru and Academic Secretary Karnataka Yadava Education Society, Bengaluru. Had delivered the speech. Prof. K. N. Sharada Devi, Principal graced the occasion and Prof. Marina George Vice Principal, Prof. Sarvamangala. N, HOD Dept. of Botany, and All the Heads of the Departments, Professors and Students from various colleges were also present in the webinar.

The Resource Person focused on the use of Information and communication technology (ICT) in higher education and stressed about the use of Lakes and environment. During the pandemic the ICT was used more than ever before in the education system he added. He was covered all the relevant things that come under lakes of Bengaluru in the present scenario and rendered vast information to the students. His speech was very informative and insightful.

Principal Prof. K. N. Sharada Devi, addressed the gathering and particularly appreciated the efforts of the Department of Botany and NCC 6/6 Coy and she also expressed her appreciation for faculty Botany Department for organizing a well-intentioned webinar. She congratulated all who were part of this event. There were 1000 students and staff attended.

Dr. Loksha A, proposed the vote of thanks.

ANNUAL REPORT OF NCC (Senior Division & Senior Wing) 2016-17
3/5 Coy, 7 Karnataka Battalion, Bangalore 'B' Group
Karnataka & Goa Directorate

Motto of NCC is "UNITY & DISCIPLINE".

The National Cadet Corps came into existence on 16th July 1948 through the NCC act XXXI of 1948, under the Ministry of Defense with the aims to develop character, commandership, ideals of service and capacity of leadership in youth of the country, to stimulate interest in the defense of the country by providing service training to the youth & to build up a reserve to enable the Armed Forces to Expand rapidly during National Emergency.

APS College of Arts & Science holds NCC from many years. The college level company of NCC is designated as 3/5 Coy comes under 7 Karnataka battalion, Bangalore - B group having a strength of 108, Senior Division for Boys - 73 cadets and Senior wing for Girls - 32 cadets.

The students are provided with an opportunity to take part in the activities of NCC by registering themselves as dedicated cadets. The certificate of NCC helps students to take reservation in all the higher educational courses as well as wide opportunity in armed forces & governments Job openings.

NCC mainly helps students to develop character, commandership, leadership and discipline to become good citizen of the nation.

NCC is a tricolored organization which provided 3 year duration training. Here the cadets will undergo the directorate made syllabus of Weapon Training, Drill, Leadership, Civil Defense, First Aid, Health & Hygiene, community development, Human rights, Home Nursing, Family Welfare and man Management

This year also the training was conducted as per the direction of the commanding officer Col. VeerendraTaneja and under the able guidance of our Principal Prof. Ramesh Babu HG.
