Industrial Visit

The **Gupta Institution and Arena Animation centre, Jayanagar** had arranged BFF MELA for BCA (VI, IV, and II) Semester students. Transportation was also provided by Arena Animation Centre, Jayanagar from APS ARTS AND SCIENCE COLLEGE to Arena Animation centre, Jayanagar. The session started at 10.00 Am and was completed by 2:00 pm on 02/02/2019.

The MELA was related to the job opportunities in the field of Interior design in Animation and 2D, 3D graphics and along with this information, MELA had three Stalls namely,

1. Web Designing
2. 2 Dimensional and 3 Dimensional Graphics
3. Numerical Testing Lab

All the 40 number of BCA students visited these stalls and some students also participated in the fun games.

Overall this MELA was very much informative and as well as very good since all the students enjoyed a lot and they got an idea how they can select their carrier after completion of their Degree Course.

Department of Post-Graduate Studies in Economics
(M.A)

Date: 15-05-2019

REPORT ON INDUSTRIAL VISIT

The Department of Post-Graduate Studies in Economics was planned an industrial visit to “**Matrix Sportz**” pantharayapalya, Nayandahalli, Bangalore on 15/05/2019. The factory was visited by 35 students accompanied by 3 faculty members. The Manager of the factory explained the manufacturing process involved in production of various sports and gym equipment. After production the products will be supplied to the people who are ordered and some of equipment will be exported to other states of India he added. The students have gained much information about the production techniques, order, delivery, cost involved, price determined for the various products which are produced by the company. The visit was more meaningful and provided insights about the factors given above.

Department of Post-Graduate Studies in Economics
(M.A)

Date: 4-11-2016

REPORT ON INDUSTRIAL VISIT

The Department of Post-Graduate Studies in Economics was planned an industrial visit to "**Karnataka Soaps and Detergents Limited**" Bangalore on 3rd November. The factory was visited by 40 students accompanied by 3 faculty members. Mr. Balakrishna the PRO and R&D head of the factory explained the uniqueness and process involved in production of soap. We were given the idea about various marketing strategies and techniques adopted by the industry to increase its sales. The students and faculty members have gained information on the production costs, advertisements, exports, customers, the various ingredients using for the production of soaps in the company. Moreover, the entire industrial visit was meaningful and students were very happy with the gained information which are relevant to their subject matter.

Report on Tippu Sultan Fort Visit

Tippu Sultan Fort visited on 29-02-2020 at 9:30 AM to 2:30 PM. Tippu Sultan Fort and Summer Palace in Bangalore is an example of Indo- Islamic architecture and was the summer residence of the mysorean ruler Tippu Sultan. It is one of the most beautiful historical places of Bangalore for which every history student should visit to understand the architecture of Indo-Islamic monuments.

The history students of APS College visited fort and summer palace on 29th February 2020. The students explored many details about the palace which was built entirely with teak wood and stands adorned with pillars, arches and balconies. The fort was built with stones around the area of K.R market. It was a great learning experience for the students which helped them to understand architectural beauty of the monument.
